. 7 Winning Ways to MORE PROFIT

Exciting, opportunistic, and rewarding is what we dreamed of retail business ownership to be. Today many retail business owners are tied to that day to day business and finding it hard to move beyond just the dream.

The result for so many owners and management: is less enjoyment and enthusiasm for that life changing endeavor we started with having less time for community and customer relationships. Longer hours at work for having bad or non-existent mechanisms to track your business activity. Stressed employee/sometimes family interactions for redundant processes that lead to errors. And even worse is less time for that which is the most valuable: your family, your friends, and your ability to enjoy a rewarding work life balance.

Here are 7 Winning Ways to MORE Profit:

1. Use latest point of sale to reduce errors, losses of sales, free up dormant revenue in non-selling inventory, sales, free up dormant revenue in non-selling inventory.

2. Improve processes that track your customer sales, what they bought and when, with an incorporated rewards programs will improve customer relationships automatically.
3. Add customer's ability to make payments, in-house, online and anywhere you meet customers who will buy.
4. Reduce the costs of operation by lower costs of operation with JIT, the fees associated with acceptance of payments and outstanding daily sales receipts.
5. Monitor reviews of what your customers are saying on social media and about your biggest competitors.
6. Use transactional data to track which promotions are making you more profit. existing customers or providing insight as to waste of marketing dollars on areas your business will not attract customers from.
7. Incorporate omni-channel access for customers to buy from your business at any time, daytime or nighttime, at home and away from home.
